

Bill Masson Rink High School Spiel Winners

A very successful high school bonspiel was held on Saturday, January 17. There was a total of ten rinks participating and play was very closely contested.

The rink skipped by Bill Masson walked off with the honors in the Grand Challenge event with a very decisive victory over the Ken Fischer rink.

Don Fischer's rink took top honors in the Consolation event by beating out the Arnold Enger rink. Personnel of the rinks are as follows:

Arnold Enger, Gordon Inglis, John Hill, Irene Archibald, Grant Lind, Olga Hynka, Eddie Orachecki, Marion Lovig, Bill Masson, Bob Dunbar, Norma Dawson, Judy Sather, Ken Fischer, Irene Dootson, Margory Coulman, Maxine Chisell.

Garth Tomlinson, Bob Fischer, Flo Allen, Jim MacDuff, Malcolm Frickeleton, Joe Rohrer, Colleen Archibald, Lily Mackay, John Hynka, Sheila Lovig, Harold Dootson, John Mackay, Charlie Allen, Irene Younger, Bud Dawson, Carolyn Morse, Don Fischer, Vivian Archibald, Ron Prior, Lottie Greenwood. Teachers rink: Mrs. Fischer, Miss Touchette, Mrs. Glasgow, Mrs. Prosser.

Northern Nuggets

Buffalo Coulee W.I. met at the home of Mrs. W. D. Ramsay on January 13. Nine members answered the roll call with a donation to the Milk for Korea fund. Mrs. C. Ramsay would like all quilt blocks yet out handed to her as soon as possible. Next meeting will be February 18 at Mrs. A. C. Archibald's, hostess list published separately. The February roll call will be a hand-made Valentine for a shut-in.

There will be a 500 Card Party at Albert School on January 30, beginning at 8 p.m. sponsored by Buffalo Coulee W.I. Please bring lunch.

FUA members enjoyed two excellent Convention reports from Mrs. P. Prosser and Mrs. Eugene Meyer at their Monday night meeting. Next meeting, February 16 at Orbindale.

Mrs. Eric Prior has a few of the latest FWUA cook books on hand. She will take orders for these books or give full particulars to anyone interested.

March 11 is the date set by Buffalo Coulee W.I. for their Amateur Hour and dance in Kiefer's Hall.

Mrs. Freeman Prosser has returned from her holiday in Manitoba.

Messrs. Louis Larson and Martin Lovig went to the city this week with Glen Hockett who trucked up Martin's cattle.

Miss Carol Matthews has been sick with a severe cold and Maurice Miller has the measles.

Pupils of Education Point had a holiday Friday as their teacher Mrs. A. Eager had car trouble.

District residents were victims of two unusual accidents last week. Mr. and Mrs. W. Prior escaped unhurt when their car slid off the side of the road just north of town and overturned, keeping them prisoners until help came. Mr. Edgar Jones was unfortunate enough to run into an animal on the highway in the fog. In collision of car and cow, car came out the worse.

Card of Thanks

I wish to thank all my neighbors and friends for all their lovely and useful Christmas gifts. Also Mrs. Fischer and grade 8 and 9 for their lovely gift. Wishing all my neighbors a bright and prosperous New Year. I thank you.

James C. Wood.

Missionary Leaves For Africa

We would like to thank Mrs. R. H. Astley of Minburn for sending in the following information in answer to our question in regard to any other missionaries from our district beside Miss Lillian Mikkelson.

Mrs. Astley calls to mind Miss Jane Younker who we remember very well in young people's work here about 14 years ago. Miss Younker is expected to arrive at a mission field in French West Africa this month. The following is a quotation from a letter she wrote to Mrs. Astley.

"I will be going to Dahomey in French West Africa to a little place called Sinele. The station is only a year old. There is a married couple and a single girl there now and I am to be the nurse for that whole area. The Government owns the dispensary, that is the future one that is to be there when I get there and I am to work for them. They have no doctor or nurse to put there so have asked that a mission nurse take over the work.

There are so few nurses in the interior of Dahomey, the Mission could do with dozens more." Jane said to the prayers of her friends as she undertakes this great work for Christ.

Jane Younker received her public school education at Roseberry before coming to Irma for her grade 10. She finished her high school and took Bible Training at the Prairie Bible Institute at Three Hills, Alberta. From there Jane went to Portland, Oregon, where she trained for a nurse at the Good Samaritan hospital. After doing further nursing and studying plus a trip to Carville, Louisiana, to visit the Leprosarium there, she sailed for France, April 30, 1952. Since her arrival there she has been learning the language and also visiting places of historical interest before leaving this month for her Mission work at Dahomey.

Miss Younker's parents now live at Vancouver. Mr. Younker is in poor health and in a nursing home. Jane's sister, Miss Etta Younker, is teaching at Bella Coola, an Indian school on the B.C. coast.

We are very glad to get news of these folk again and we wish Miss Jane Younker every happiness and blessing in her chosen work.

YPU Meeting

A very successful meeting of the Irma YPU was held Sunday evening, January 18. Miss Dorcas Smermon presided, Mr. Arnold Enger and Mr. Gordon Invis had charge of the devotionals. Some games which were enjoyed by all were directed by Mr. Don Fischer. To bring the meeting to a close, a delicious lunch was served by some of the girls. The next YPU meeting will be held February 1 at 7:45. A cordial invitation is extended to all young people in the Irma district.

ATTENTION GRAIN CLUB MEMBERS

Anyone wishing to get new seed this year get in touch with either Ole Nissen or Ken Fischer before February 1.

The next meeting of the Grain Club will be held in the school lunch room on Monday, February 2. Anyone interested in joining the Grain Club please attend this meeting.

Easterly Echoes

Mrs. W. Gray of Wainwright, mother of Mrs. S. Fenton, has been quite ill recently.

The regular Battle River W.I. card party was held Monday at the home of Mr. and Mrs. E. Fenton. First prize winners were Mrs. H. Morse and Mrs. W. Dootson while Consolation Prizes went to Mrs. M. Enger and Mr. E. Fenton. The next party is planned for the home of Mr. and Mrs. W. Patterson.

Among those curling in the Frig spiel at Viking are Messrs. S. Fenton, N. MacMillan and G. Fischer.

Jarrow News

Mrs. H. Beer and Betty Lau have enjoyed a holiday at Athabasca for the past week. While there they attended the wedding of Mrs. Beer's sister.

Tobe Smith is the owner of a new Pontiac car.

Mr. and Mrs. Lindberg and Stella were city visitors during the week where Stella journeyed on to Portland, Oregon where she is visiting with Mrs. Camer and family.

The sympathy of the district is extended to Mrs. Michael and Virgil and relatives on the sudden death of Mr. Claude Michael on January 17. The funeral being held in Jarrow United Church on Jan. 22.

A team from Jarrow and one from Kinross were having a curling challenge game in Irma on Wednesday afternoon. Wonder who won the "moose steak" dinners?

Viking Lions Give Vermilion Tigers 8-4 Touncing

The Vermilion Tigers played host to the Viking Lions last Saturday evening in a regular league game. Viking, showing much improvement over the last few games, walloped the Tigers by the tune of 8 to 4.

In the first few minutes of play Vermilion put a scare into the Viking lads when they banged in two quick goals. Viking however, showed little respect for Elmer (the "killer") Kreller, came right back with three unanswered goals. The first period ended Viking 3, Vermilion 2.

The second stanza was by far the fastest, with Viking having the majority of the play in the Tiger's zone. Jim Taylor, in the net for Viking, played an outstanding game, and on numerous occasions when the chips were down, was called on to make some wonderful saves. At the end of the second period the score read Viking 6 and Vermilion 3.

In the third frame, Viking outscored Vermilion 2 to 1, to make the final score Viking 8, Vermilion 4.

Goals for Viking: Thunell (unassisted); Brown (Proctor); Brown (Thunell); Glasgow (Kelly); Glasgow (Masson); Masson (Glasgow); Klein (Proulx and Lefsrud).

Viking lineup: Taylor; Ross and Wilkie; Thunell and Sorken; Brown, Proctor, Josephson; Kelly, Glasgows, Masson; Proulx, Klein, Lefsrud.

Fourth Annual Frig Spiel Opened Monday, Jan. 19

(From The Viking News)

The Viking Curling Club's 4th Annual Refrigerator Bospital opened on Monday with 38 rinks, the same number as last year, but with several new visiting rinks competing.

The weatherman is dishing up ideal weather for the spiel and everybody hopes it will continue throughout the week.

Among the regulars seen at the tee head are Art Simpson of Bassano, Fossen of Forestburg, Van Camp of Edmonton, Rose of Sedgewick, Cumberland of Sedgewick, Meier of Irma, Rev. Brundage and Tommy Coburn of Daysland, Cliff Hoskins and Joe Gallagher of Lloydminster, Buster Shaw and Gehring of Vegreville, and many good sports from other neighboring towns.

Stub Trueman of Viking had to go 13 ends to defeat Swoboda of Daysland in the 8 o'clock draw Monday morning.

In the 11 a.m. draw Rev. Brundage and L. Dobry had a ding dong battle right up to the last rock. Dobry was one down going into the 12th end and made two perfect draws to lay two when the Rev. gentleman came to shoot his last rock. Brundage had to make a draw to one of the Dobry counters and he came through with a perfect rock. Nice bit of curling.

Billy Rose arrived home from Nipawin in the nick of time for the 8 p.m. draw Monday and took Huxley of Edmonton into camp. Billy says the Nipawin car spiel was tops. His lead man Lloyd McIntyre says the same. They didn't quite take the cars home but came back with four Fridges.

SOME SHORT SHOTS

The Hilliker draw is working good. All games are being played on schedule so far.

Sather and Houska have the ice in good condition, perhaps the best of any former frig spiel.

Mrs. Houska and her staff are feeding the multitude and doing a good job of it.

Jack McArthur is assisting Selmer Hafs with the ticket sales and a hundred odd jobs.

Curling results are heard over CJCA and CFRN twice daily.

Local veteran skips like Jack Slavik and Ben Runyon are still in the ring and winning a share of the games.

If you want to find anybody, better try the rink. Phone 74R3.

The waiting room crowds seem larger than last year. Each game has a gallery of its own watching every play.

It's Viking's curling classic, and everybody is enjoying it.

It should wind up Saturday.

Will the Fridges go to Sedgewick for the fourth time?

That is the \$64 question.

Hoot mon, don't give us any of those parking tickets!

Let's greet the visitors with a smile and good luck.

QUESTIONS and ANSWERS

QUESTION: Is cancer "catching" or contagious?
ANSWER: No. Cancer is neither infectious or contagious. There is no record in medical literature of physicians or nurses getting cancer from their patients.

GOVERNMENT BUSINESS

The Water Resources of Alberta

In the best interests of our citizens, present and future, your government carefully considers the water resources of Alberta. The Water Resources Act and Regulations provide that applications for the diversion of water for any purpose are subject to precedence for the following purposes—Domestic, Municipal, Industrial, Irrigation, Water Power.

Alberta's conservation and development projects:

Inter-lake:
LAKE STABILIZATION PROJECTS:
To prevent or retard depletion of surface and ground water supplies, structures are being placed in the outlets of Alberta's major lakes. Pipes are inserted through the dams to maintain steady flow in the outlet crevices. These projects have a water conservation value as well as furnishing a habitat for fish and game. In co-operation with Ducks Unlimited, a total of 29 projects have been built since 1945.

ASSISTANCE TO IRRIGATION DISTRICTS
The Alberta Government designs and helps to construct laterals for smaller irrigation districts created under the Irrigation Districts Act. Irrigation Districts at Macleod and Ross Creek have been assisted. The Alberta Government has spent more than \$4,000,000 on the St. Mary and Milk Rivers Irrigation Development and expects to spend another \$3,750,000 on this beneficial project. Distributory Canals are also planned for the Bow River Irrigation Development.

WATER POWER IN ALBERTA
In 1932 there was 69,480 developed horsepower with 155,000 acre feet of storage. By 1952 there was 209,050 developed horsepower with 585,000 acre feet of storage.

THE WORLD OF WHEAT

By H. G. L. Strange

WHEAT STEM RUST—The Serious Outlook

The protection of our wheat crops from the fierce attacks of wheat stem rust is infinitely more difficult than it was even imagined to be a year or even a few months ago. Few people indeed have an adequate concept of the complexity of the problem as it is now revealed.

This is a summary of the considered views of the most eminent and distinguished scientists in plant pathology and physiology, genetics and plant breeding from Mexico, Canada, the United States and the Rockefeller Foundation, who together recently held a three-day conference in Winnipeg. What was considered a short time ago to be a simple problem of developing a new variety of wheat to combat what was termed 15-B, now turns out to be the infinitely greater problem of producing a wheat that will be resistant to already existing and innumerable bio-types or combinations of 15-B—each behaving differently—and to many other potential new races of rust which nature at any time can, and probably will, launch upon our crops.

This will require more laboratory equipment, greenhouses, land and workers, and so increased money grants for further research in plant pathology and plant breeding than is now available. It is considered that equipment, personnel and money now available is only about ten to eleven percent of what is needed to protect our wheat crops against most serious losses.

HOME ECONOMIST NEWSNOTES

Did you know that "scare methods have been used to sell Cooking Ware?"

The latest bulletin of the Canadian Association of Consumers warns homemakers that some unscrupulous and uninformed salesmen have been advising against the use of aluminum utensils for the preparation of foods.

Aluminum is the most widely used saucpan material and is well suited to many types of cooking utensils. Cooking food in aluminum utensils has no harmful effect on health.

Aluminum pots and pans are moderate in cost, the heavier "swirlless cooking" utensils being more expensive. Aluminum ware heats more quickly than iron or steel, and it retains an even heat at a low temperature. Therefore, aluminum ware is inexpensive to use.

If aluminum is over heated it may warp. Then the pan does not come in even contact with the heat, and so the food will not cook evenly. You can fix those bulging sheet aluminum pans. If the pan bulges outward, place it bottom up on the table, with the handle extending over the edge. Then lay a flat piece of wood across the bottom and pound down with a hammer until bottom is flat. If the bulge is inward, place a thick block of wood inside the pan and strike with a hammer until flat. For cast aluminum ware use a rubber mallet, directly on the pan. Bulging bottoms are caused by too much heat or sudden changes in temperature.

ATTENTION PASSENGER CAR OPERATORS

Please note that your application for 1953 car license will not be accepted unless you can produce proof that your car has been "Inspected and Approved" within the past 12 months. Your current Approval Certificate number must be inserted on your 1953 application for registration.

If your car has been inspected and approved and the certificate of approval has become lost you may obtain a free duplicate by writing this office giving the license number of your car.

Motorists who have not yet had their cars inspected and approved are urged to do so NOW to avoid last minute rush and embarrassment.

DODGE coronet V8

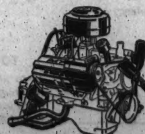

The 1953 Dodge Coronet V-8 is styled for action... more streamlined... more compact... yet with more passenger and trunk room than ever. It's designed for action to provide a road-hugging, curve-holding ride, new steering ease, wonderful manoeuvrability. It's powered for action with a new 140 h.p. V-8 engine of the famous "dome-shaped" design (as described below)—that gives astonishing pick-up and smooth, sustained speed.

featuring the sensational new 140 h.p. red ram V8 engine

This new V-8 engine brings you the triple power advantages of "dome-shaped" combustion chamber... short stroke design... high lift lateral valves—a design universally recognized as the ideal for power and economy. It provides more power per cubic inch displacement than any other mass-produced engine... more fuel energy goes into power, less is wasted in heat and friction.

Gyro-Matic transmission is standard equipment—giving you no-shift driving at its best. Gyro-Torque transmission—for extra bursts of speed from "red-glow" to 45 m.p.h.—is available at extra cost.

Once standard equipment in a cotton mill, the old spinning "mule" has long since gone by the board.

Dominion Textile's manufacturing equipment is now among the most modern in the world. Machinery bought by our 7,239 shareholders (94.7 of them Canadians) help us to turn out top quality goods and provide jobs for the 12,500 Canadians working in our plants.

But equipment improvements, such as replacing the mule, aren't everything. We have our troubles trying to compete with the products of other countries which pay lower wages. In Japan and India, for instance, wages run about 15 cents an hour, while we pay well over a dollar an hour.

serve Canada

Today, Canada must be constantly on the alert to meet any threats to our national security. Trained, armed strength is the safe way to guard our freedom.

and Yourself

With the Canadian Army Active Force growing rapidly, there is a great need for young men who can qualify as junior leaders. Ability and initiative find quick recognition and promotion in the Army. There are outstanding career opportunities for young men in the Active Force ... valuable training, excellent pay and retirement plans, outstanding medical and dental care, travel, adventure and new friends.

in the Infantry

The Infantry is the backbone of the Canadian Army. Its soldiers, all highly trained technicians, are the most important men in our Army. There are many specialized jobs in modern Infantry for young men with an eye for adventure. Service with one of Canada's world-famous Infantry Regiments offers plenty of scope and challenge.

Locals

Three rinks from Irma are taking in the Refrigeratorspiel at Viking this week. The personnel of these rinks is: L. Loades, A. C. Milne, J. MacKay and N. McMillan; C. Smallwood, S. Fenton, M. Knudson and G. Fischer; Larry Meier, Gar Coulman, F. Drewnicki and A. Firkus. We understand that the Loades rink and Meier rink each won their first two games. More power to them.

Little Patsy Kirkman has been in the Viking hospital this past week recuperating from an attack of pneumonia. Her condition is much improved.

Mrs. I. S. Reeds has been taking treatments at the Viking hospital this past week.

Our old friend the Rev. Father J. McGrane who is now at Lac La Biche preached the funeral sermon at Wainwright on January 10 for the late Rev. Father J. P. Ehmann, who lost his life in a highway accident.

Born to Mr. and Mrs. J. Bushby at the Wainwright hospital on Jan. 11, a daughter.

The ladies open bonspiel is to begin here today January 23. Rinks from Mannville, Buffalo Coulee, and Viking are expected.

The next meeting of the Junior W.A. will be held at the home of Mrs. Symington on January 27. Hostesses, Mrs. Anoulet, Mrs. Kirkman, Devotionalists, Mrs. Alan Larson, Program, Mrs. Harold Barber.

Mr. H. H. Currie, resident of the Albert district since 1916 passed away in his sleep on Tuesday evening. "Grandpa" Currie as he was known to all was in his 93rd year and had enjoyed comparably good health until the time of his death. Funeral services were held from the Irma United Church on Friday, January 23. Full obituary next week.

Mrs. M. M. Tripp is an Edmonton visitor this week.

Mr. and Mrs. Ernie Rae and family have moved into town for the remainder of the winter.

Mr. Matthew Donoghue who was visiting here last summer has passed away at his home in Oregon. Mr. James Donoghue of Irma has come to Oregon to attend his brother's funeral.

Our lovely weather has returned again and tastes all the better for the spell of real winter we had in between.

In the printed list of those donating prizes for the bonspiel sponsored by the farmers for the townfolk, something went sadly amiss so we are going to list the donors names again this week. The whole hog was jointly donated by Messrs. N. McMillan, E. Blanchard, I. Thurston and S. Fenton. The 8 sides of bacon, 4 ducks and 4 roasters were jointly donated by Messrs. A. Hinton, C. Younker, R. Burton, M. Enger, Ted Thurston, A. Smallwood, A. Jones, E. Jones, A. Larson, E. Guy and Dick McRoberts. The 8 dozen eggs by H. Riley.

On receiving a new address for our old friend Stanley Hill we note he has been moved from HMCS Stadacona at Halifax to HMCS Naden at Esquimalt and also that he now bears the rank of L.S.R.N.

Many Irma folk will be sorry to learn that Mr. Roy White has been very ill in a hospital at Vancouver ever since last April. He has lost his sight and is in a very poor physical condition. Mr. White was CN agent here for many years and had a lot of friends.

Mr. and Mrs. Steve Flooker and family gave a donation to the United Church Memorial fund in memory of Mr. Michael of Jarro.

Search for Talent Packs 'Em In

(From The Viking News)

A capacity crowd attended the sixth annual Search for Talent program here last Saturday evening, sponsored by the Associated Canadian Travellers in conjunction with radio station CFRN, Edmonton, and their show troupe.

The program got off to a good start by master of ceremonies Mr. Kitt, and from then on there was a parade of talent appearing before the microphone, and from all standards it was one of the best programs ever heard here. Between the hours of eight and nine the program was on the air. Mayor Rasmussen being out of town, a former mayor gave a short welcome talk.

Among those taking part were Maxine Wempe, Marie Foote, Shirley Warden, Hazel Gray, Donna Sauers, Anne Mulawka, Steffi and Natalie Kostervia, Reginald Vandervate, Betty Ouzbko, Betty Lindstrom, Clarence Horinek orchestra, O. Dine, Cliff Pelley, Alec Farquharson, Gladys Wadley, Elsie Wadley, Carol Garvie and Doris Miles.

Cost of national health insurance scheme is estimated at \$600,000,000, about one fifth more than entire federal government revenue for 1953.
